### **Althing Clinic Unveils its Revolutionary Onsite Clinic Powered by Cutting-Edge Phrazer Technology and MedBay Encounter Spaces**

AUSTIN, MINNESOTA — Althing Clinic, a leader in innovative, inclusive healthcare solutions, proudly announces the launch of its groundbreaking Althing Onsite Clinic, a state-of-the-art healthcare service that leverages cutting-edge Phrazer technology, modular MedBay encounter spaces, and unmatched cost-benefit results to redefine employee health and efficiency.

The Althing Onsite Clinic represents a paradigm shift in occupational healthcare, combining advanced medical technologies with a focus on accessibility and cost-benefit. The service requires no construction, is turnkey, in-network and ensures a seamless and personalized healthcare experience for employees and their families.

#### Key Features of the Althing Onsite Clinic:

- **Phrazer Technology:** The heart of the Onsite Clinic is the Phrazer platform, a revolutionary healthcare engagement solution that combines demographically matched interfacing, direct to medical record interchange, and dynamic communication to deliver highly personalized and efficient care. Phrazer facilitates real-time patient-provider interactions, in all languages and literacies, streamlining the healthcare process and improving overall patient experience and outcomes. And as a special feature, Phrazer and its sensory suite go home with employees to provide quality care to their families in the comfort of their own home.
- **MedBay Self Contained Encounter Spaces:** Compact, qualified MedBays setup and begin serving in one day. Designed for maximum comfort and efficiency, Althing's MedBay encounter spaces provide a private and easily accessible environment for employees to receive healthcare services. Equipped with the latest sensory technologies, MedBay spaces ensure that each employee receives top-notch care in a tranquil and confidential setting.
- **Althing Clinic High Access Staff & Services:** In this time of limited access, the patient preferred Althing Clinic is a growing, offers excellent specialty staff and available appointments. Althing's mobile clinic brings added specialty service to bear for its new corporate clients and interoperability with other health services is seamless for patients.
- **Cost-Benefits:** Althing Clinic understands the importance of inclusive cost-effective healthcare solutions for businesses. Our Onsite Clinic offers reduction of insurance

premiums and less sick time as a result of proactive preventive care programs that serves onsite and at home. By prioritizing preventative care and early intervention, businesses can mitigate long-term healthcare costs and foster a healthier, more productive workforce.

Althing Clinic CEO, Mat MK Johnson, expressed excitement about Althing Onsite Clinic's potential impact on employee health, equitable well-being and Onsite productivity, stating, "Our commitment to innovation and efficiency has led us to create a healthcare solution that not only meets the needs of modern businesses with diverse workforces but exceeds expectations. The Althing Onsite Clinic represents a modernized, inclusive approach to employee health, incorporating cutting-edge technology and second to none cost-saving benefits to create a healthier and more engaged workforce."
