FOR IMMEDIATE RELEASE

Althing Clinic Expands Services to Introduce Rejuvenation Services in Austin, Minnesota

Austin, MN –January 14, 2023

Althing Clinic, a leading healthcare provider in Austin, Minnesota, is thrilled to announce the expansion of its services to include a comprehensive range of rejuvenation treatments. This exciting addition encompasses a variety of options, such as cosmetic injectables aimed at enhancing self-esteem and addressing certain medical concerns.

In response to the growing demand for non-invasive cosmetic procedures that cater to both aesthetic goals and medical needs, Althing Clinic has embraced a holistic approach to healthcare. The new rejuvenation services align seamlessly with the clinic's commitment to providing personalized and patient-centered care.

"We are excited to introduce rejuvenation services at Althing Clinic, offering our community a wide array of options to enhance both their physical appearance and overall well-being," said Therese Searle, Lead Nurse Practitioner at Althing Clinic. "Our goal is to empower individuals to look and feel their best while addressing medical concerns through cutting-edge treatments."

The rejuvenation services at Althing Clinic include:

- **Neurotoxin Injections:** A non-surgical solution to minimize the appearance of fine lines and wrinkles, providing a refreshed and youthful appearance.
- **Fillers:** Customizable dermal fillers to add volume, contour features, and rejuvenate the skin for a more vibrant and youthful look.
- **Tailored Treatment Plans:** A team of skilled professionals at Althing Clinic will work closely with each patient to create personalized treatment plans, addressing specific cosmetic goals and medical concerns.
- **Wellness and Self-Care:** In addition to aesthetic enhancements, Althing Clinic emphasizes the importance of overall wellness and self-care, promoting a holistic approach to health.

Patients can trust the experienced and qualified team at Althing Clinic to deliver exceptional care, utilizing state-of-the-art technologies and the latest advancements in rejuvenation treatments.
